Description

Supervising Social Worker | Fostering | Dundee

This is an exciting opportunity for a registered social work professional to take on a challenging and stimulating role as a Supervising Social Worker, supporting and supervising foster carers and their families. This position is a contract position, lasting 13 months.

The ideal candidate will be a committed and personable individual with a current SSSC registration. In this role, you will offer professional advice, guidance, support and supervision to foster carers and their families to sustain children and young people in their placements, ensuring that carers have support in the undertaking of training and on-going professional development. The Supervising Social Worker will also undertake routine planned and un-planned visits to the carers and further work as part of an out of hour's service to ensure continuity of support.

Good communication is essential between all relevant Local Authority stakeholders responsible for the welfare of the child or young person in placement. Contribution to the carer annual review process will also be required.

Swiis are seeking an experienced Supervising Social Worker, required to join our fostering team in Dundee. This is a full-time position, 37.5 hours per week, with annual salary of £30,500 – £37,000 per annum and an attractive benefits package.

About Swiis
